

FS-Y6 PARENTS' EVENING WITH CLASSTEACHERS ONLY

Dear Parents

The first Primary Parents' Evenings with the classteachers only will be on Monday 14 and Tuesday 15 October from 16:00-18:00 h in the School Hall.

These short appointments are for you to do just that, meet the classteacher and share any information about your child. There will be an opportunity for you to meet Subject Teachers in the Spring Term.

All classteachers will be available in the school hall and there will be a crèche for FS-Y2 children in room 105. KS2 children must join Don Sebastián on the Top Pitch while their parents are in a meeting. Please respect the 7 minutes time allocation to avoid unnecessary queues.

Please visit <https://alohacollege.meettheteacher.com> to book your appointments. You can also access the Meet the Teacher platform through the Parents' section of our website. It will allow you to book appointments online with your child's teachers, at a time convenient to you. Please find **here** a short **guide** on how to add appointments. Then Log in with your details (first name, last name and date of birth of your child - include accents for Spanish names and select Sr/Sra).

If you have more than one child at Aloha, you can enter the details of any, as long as they are in Years FS to Y6. You only have to do this once as the Login will then be suitable for all your children enrolled in the Primary Section of the school.

If you do not have access to the internet, please contact the school and we will help you book your appointments.

You can make appointments with tutors **from Saturday 28 September (Midday) until Wednesday 9 October (Midnight).**

3EK - If your child is in **3EK, Miss Keys** could see you on Thursday 17 and Friday 18 October, 16:10-17:00 h (not available Mon/Tue for personal reasons).

2ARS - Miss Anne available Mon 14 and Wed 16 October (not Tuesday).

Yours sincerely

K R Salmon.

Headteacher, Primary
