Pupils Attendance Policy

ATTENDANCE POLICY

Aloha College actively promotes and encourages 100% attendance for all pupils.

Regular attendance is critical if our pupils are to be successful and benefit from the opportunities presented to them.

Parents have a legal duty to ensure that their child attends school regularly and arrives on time.

Outstanding – 98% and above

Good – 96%

Acceptable – 95%

Unsatisfactory – below 95%

AIMS AND OBJECTIVES

This attendance policy ensures that all parents, pupils, staff and governors in our school are fully aware of and clear about the actions necessary to promote good attendance.

Through this Policy we aim to:

- Improve pupils' achievement by ensuring high levels of attendance and punctuality.
- Achieve a minimum of 95% attendance for all children, apart from those with chronic health issues.
- Create an ethos in which good attendance and punctuality are recognised as the norm and seen to be valued by the school.
- Raise awareness of parents, carers and pupils of the importance of uninterrupted attendance and punctuality at every stage of a child's education.
- Ensure that our policy applies to Nursery and Reception aged children in order to promote good habits at an early age.
- Work in partnership with pupils and parents, so that all pupils realise their potential, unhindered by unnecessary absence.
- Establish a pattern of monitoring attendance and ensure consistency in recognising achievement and dealing with difficulties.
- Recognise the key role of all staff in promoting good attendance.
- Developing and implementing procedures to follow up non-attendance at school.

Pupils are expected to attend school for the entire duration of the Academic Year, unless there is an exceptional reason for the absence.

There are two main categories of absence:

Authorised absence

- An absence is classified as authorised when a child has been away from school for a

legitimate reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

- Only the school can make an absence authorised. Parents do not have this authority. Consequently not all absences supported by parents will be classified as authorised.

Unauthorised absence

- An absence is unauthorised when the school has not received a reason for absence or has not approved a child's absence from school after a parent/carer's request.

PROCEDURES

Aloha College will undertake to follow the following procedures to support good attendance:

- To maintain appropriate registration processes.
- To maintain appropriate attendance data.
- To communicate clearly the attendance procedures and expectations to all staff, governors, parents and pupils.
- To have consistent and systematic daily records which give detail of any absence and lateness.
- To follow up absences and persistent lateness if parents/carers have not communicated with the school.
- To inform parents/carers what constitutes authorised and unauthorised absence.
- To strongly discourage unnecessary absence through holidays taken during term time.
- To work with parents to improve individual pupils attendance and punctuality

ABSENCES

Parents/carers should contact the school on the first day of their child's absence. When parents/carers notify us of their child's absence it is important that they provide us with details of the reason for their absence.

All absences are recorded as either authorised or unauthorised absences on the computer. It is important that we receive accurate information from parents with reasons for the child's absence. This information is used to determine whether the absence is authorised or unauthorised. The Headteacher has the responsibility to determine whether absences are authorised or unauthorised.

Where we have not received reasons for a child's absence then we send an automatic email requesting these details to parents/carers to complete. If this letter is not completed and returned by the specified date then the absence will be recorded as an unauthorised absence.

First Day Contact

Where a child is absent from school and we have not received any verbal or written communication from the parent, then we initiate a first day contact process. Office staff check all of the registers from 9.00am to 9.30am on a daily basis, to identify those pupils

who are absent.

Illness

When children have an illness that means they will be away from school long term, the school will do all it can to send material home, so that they can keep up with their school work.

If the absence is likely to continue for an extended period, or be a repetitive absence, the school will contact the parents to discuss the pupil's welfare.

Where over the course of an academic year, a child has repeated periods of illness, the school will write to parents to ask them to provide medical evidence for each future period of illness related absence. This evidence could be a Doctor's note, appointment card or copy of a prescription. We may seek written permission from you for the school to make their own enquiries.

Lateness

Children should be delivered to and collected from School promptly. If a child is late for School, please ensure he/she or the parents sign the Late Book, which can be found on the Reception desk. Please remember lateness must be avoided at all times.

The main School gate will be closed at 09:05am.

Parental Request for Absence from School for Holiday

No additional holidays will be granted during term time except in exceptional circumstances authorised by the Head teacher only.

It is not obligatory for staff to set work for pupils taking additional holidays.

Addressing Attendance Concerns

Parents of poor attendees or persistent latecomers will be contacted by class teachers/tutors, and invited to discuss how the situation may be avoided.

- Within the first 5 days of unauthorized absence the tutor must communicate with parents enquiring the reasons for the absence
- After 5 days of absence parents will receive a letter inviting them to discuss the issues with the tutor/class teacher
- After 10 days of absence parents will receive a second letter expressing concern and inviting them to a meeting by the Head of Key Stage

- After 15 days of absence parents will receive a letter from the Head of Section inviting them to a meeting.
- If further absence is taken parents will be required to meet with the Principal · Aloha College reserves the right to not allow a pupil to progress to the next year group or indeed invite a pupil to leave the school if no improvement in attendance is noted.

Request for Leave of Absence

Aloha College strongly disapproves of students being removed from school in session (e.g. for vacation purposes) Leave of absence is given at the discretion of the school. If holidays are taken during term time they will be marked as unauthorised absences.

All parents requesting leave of absence for exceptional circumstances must complete a request form available at the main reception (appendix 1)

The School will not authorise an absence during the following times:

- When a student is just starting the school; this is very important as your child needs to settle into their new environment as quickly as possible.
- Immediately before and during assessment periods, school examinations and public examinations
- When a student's attendance record already includes a high level of absence.

If a student takes holiday leave or has absences for greater than 15 consecutive/non consecutive days within one academic year, then this student may be retained within his/her current year level at the end of the academic year. All absences shall be recorded as such on the student report.

Authorised absences

Authorised absence is where the School has either given approval in advance for a pupil to be away or accepted an explanation offered afterwards as satisfactory reason for absence.

- Authorising absences for National /International Sporting representation.

A pupil may be granted authorized leave of absence for certain sports events such as representing their country in National or International competitions. Official documentation of selection must be provided.

Time will not be authorized for regular training for these events.

- Other authorized absences may include:
 - Family bereavements
